

Woodridge Community HOA 2022 Pruning Schedule

Our pruning objective on each visit is to minimize the impact to target areas, maintain the proper clearance for ingress and egress areas while improving the health, structure, appearance, and safety of your trees. All of our pruning practices being performed adhere with the American National Pruning Standard.

Trees to be pruned are located throughout the common areas and have been selected according to priority. Our arborist will ensure that all trees are pruned according to arborist standards.

Priority 1 - Street Trees and Trees next to property lines

Priority 2 - Large Trees in mid and upper slope areas

Priority 3 - Small Trees in mid and upper slope areas

Spring Visit

3/8/22

Sunset, Willow Canyon, Morning Ridge, and Springbrook.

Summer Visit
