

**SAFETY, RULES AND REGULATIONS COMMITTEE
JANUARY 2020 REPORT**

The committee last met on 10/2/19.

Parking survey results were submitted to the Board at the November 2019 Board Meeting and the Board was going to vote on how they want to proceed.

A homeowner asked Kathleen to address the issue of worker noise on Saturdays. The Committee has emailed each other about this issue and has tabled it for now until there are more homeowner complaints.

At the last Board meeting Kathleen was asked to provide the post orders to the Board. She emailed them to the Board members in December 2019. The committee will assist in any changes at the direction of the Board.
